Friday 4<sup>th</sup> September 2020

Dear Parents and Carers,

I cannot believe that it is Friday already. Your children have been amazing this week; so positive and eager to learn. We are all pleased to be getting back to something that feels a little more like 'normal'.

Our procedures in the morning and at the end of the day seem to be working and the children are maintaining their bubbles as they put their things in their lockers and move into class. **A reminder that next week Year 3 will be arriving at the vehicle gate between 8:30 and 8:40 am and finishing the school day at 3pm.** At the end of the day, the children will be lined up along the drive, so that they can be collected as parents follow the driveway out. The children are practising that today.

Some of our more vulnerable families are finding the crowds outside the school gates difficult to navigate, so I would ask that you try to time your journeys to avoid waiting on Crawley Ridge. Each year group has a ten minute window to arrive so there is no need to be at the gate for the moment it opens. I apologise if that was not clear in my last email.

I have had an email from Brenda's to say that they are continuing to run an online service for the foreseeable future as this is safer than allowing families into the shop. Children are not able to try on the uniform anyway, so visiting the shop would not help in determining sizes. Brenda's are experiencing some difficulties with their supply chains and they have asked for patience as they try to overcome these issues and adapt to a new way of working. Mrs Avlassevits has been in to tidy up the second-hand uniform (some of which has hardly been worn) and she is taking orders - £1 per item.

Next Friday, 11<sup>th</sup> September, the photographer will be visiting and will take the usual individual photographs of the children. We will also arrange for the children to have photographs with their siblings.

Every September, we hold a curriculum evening to share information with you about the year ahead for your child. We will be conducting this online this year with presentations from the class teachers. We will share more information about how to access the presentations with you in due course.

Finally, a huge thank you for all your support this week. Your positive messages and kind words have been very encouraging as we embed our new processes. I hope you have a lovely weekend.

Yours sincerely,

Sue Knight  
Head Teacher
