

23rd April 2021

Dear Parents & Carers,

It has been lovely to welcome the children back this week and the sunshine is certainly an added bonus. The children have been able to play on our beautiful field and eat outside which is a real treat.

Next week, we will be starting with our **Outdoor Play And Learning** project. We are very grateful for all the donations you have kindly provided – the children will be very excited to have more things to play with at lunchtimes. We have enough soft toys, but we could do with some more small world toys: figurines, play food, play picnic sets, vehicles of all types, dinosaurs and so on if you are clearing out toy boxes or know families with older children who may be happy to pass things on. The brown crate will be in the waiting area again for any donations.

Thank you also for booking slots for the **parent consultations** next week. You will be receiving the link to your meeting shortly.

We are hoping that this lovely weather will continue and it will get warmer, so please cover your child in **sun cream** before they come to school and make sure that they have a named water bottle which can be refilled in school. We will be outside as much as possible this term. The children are looking smart, but a reminder that they need to have a **CRJS PE kit** along with plain black or white trainers. They need plain black or brown school shoes with ankle or knee length socks. No jewellery is allowed except a pair of plain stud earrings and a watch; both of which need to be removed for PE lessons.

On Tuesday 4th May, we will be holding a PTA meeting at 7:30pm. This is our first meeting for a long time and it would be lovely to have as many people there as possible. We need ideas as well as people prepared to become more actively involved, so there is something for everyone. I will send out a Teams link shortly.

It is hard for us to be planning ahead too much in the current climate, but we have optimistically put some **dates in the diary:**

Tuesday 8th June: Class Photos

Week of 21st June: Sports Week – Each year group will have an afternoon of sporting fun. We will not invite parents to this so that we have complete flexibility about how and when the activities are completed.

Wednesday 30th June – Roll Up day – the children get a chance to meet their new teacher

Tuesday & Wednesday 6th & 7th July – Year 6 Production

Friday 9th July – Year 6 Adventure Day

Thursday 15th July – Year 6 Leavers' service at St Pauls Church

Friday 16th July – finish at 2pm for the Summer Holidays.

We will make a decision after the 21st June about how much we can involve parents and carers in these events, but please be reassured that we will do all we can to include you as much as possible.

Thank you for all of your support
Kind regards
