

CRJS Book Bands (1:1)

We use 'PhonicBooks' for children who are identified as beginner readers or those whose current phonics knowledge has been identified as a barrier to their reading development.

Before starting on the series, a phonics diagnostic should be carried out to identify where a child should begin their reading journey.

These books are not to go home and are used daily during a 1:1 intervention. Corresponding books from the main scheme should be selected for regular reading at home.

Book Series	What does it cover?	Colour Band from main scheme
