French club is open to children in all year groups. The club teaches French in a fun and informal way and all materials are provided. The children will work on different topics each week, giving a solid foundation in 'everyday' French, appropriate to Junior School level. The lessons will cover the four main components of language learning - speaking, listening, reading and writing. Newcomers will begin with basic language, while those returning will have extension activities to take their ability to the next level.

Learning and continuing with a language, from an early age, is an invaluable skill which can broaden your knowledge of the world and different cultures and can open up many opportunities for study, travel and work in later life. Attending the club will give your child a head start when it comes to taking up languages at senior school.

French club runs on Wednesdays, from 3.10-4.10pm in the Music Room. The first session of the autumn term will be on Wednesday 16<sup>th</sup> January 2019 and will run for 10 weeks, with the last lesson on Wednesday 27<sup>th</sup> March 2019. The cost for the term will be £72.
