## Head's Lines

Dear Parents and Carers,

Welcome back to everyone after the Easter break. It has been lovely to see the children returning to school so positively and settling back into routines so quickly. They have made a really good start to the new term, and the sense of enthusiasm around the school has been wonderful to see.

A huge thank you to Miss Gomm, Miss Chick and Miss Smart for all their hard work over the Easter holidays enhancing our Crawley play provision. The new equipment has made a fantastic difference, and it has been a joy to see the children making such great use of it already, playing creatively and cooperatively during breaktimes.

With spring now well and truly here, the school site is looking particularly lovely. The brighter days and signs of new growth have really lifted the atmosphere around school, providing a cheerful and welcoming environment for learning and play.

We would also like to extend a very warm welcome to the children who have been offered places in Year 3 for September following National offer Day yesterday. We are very much looking forward to welcoming the children into our school community later in the year.

Thank you, as always, for your continued support.

Kind regards,  
Mrs Egan

## Spring term housepoint winners

Last term Elsenwood house (yellow) were the winning house with a total of 2740 housepoints. As a reward they have selected to have a film afternoon which will be taking place on **Thursday 23<sup>rd</sup> April.**

## Attendance

Whole School Attendance for w/c 13th April 2026

# 95.5%

Elm: 98.3% Maple: 96.9%  
Sycamore: 96.1% Hazel: 95.8%  
Beech: 95.2% Chestnut: 95.2%  
Oak: 95% Rowan: 91.7%

# Spotlight on Year 5

We are incredibly proud of our Year 5 children following their recent residential visit to Juniper Hall before the Easter holidays. Throughout the trip, the children demonstrated independence, maturity and teamwork, representing the school beautifully at all times.

One of the highlights was River Day, where the children enthusiastically measured the depth of the river and explored the fascinating wildlife living in and around the water. On the middle day, the children enjoyed a walk into the village of Mickleham, successfully testing their map-reading skills as they navigated their way to local landmarks. Back at Juniper Hall, they continued to build their confidence through an exciting orienteering challenge around the grounds.

The evenings were just as memorable. The children walked up Box Hill to enjoy stargazing, followed by a lively campfire filled with songs, laughter and shared memories. On the final day, the children took part in team challenges and games, working together as a year group. All the staff were extremely proud of the children's excellent behaviour, resilience and positive attitudes throughout the residential. It was a truly wonderful experience and one that the children will remember for years to come.

This term is set to be a busy and exciting one for Year 5. In Geography, the children will begin a new topic all about mountains, exploring how they are formed and their importance around the world. In Science, our focus will be on living things, where pupils will deepen their understanding of classification, habitats and life cycles. In PE, the children will be developing their athletics skills as they prepare for Sports Day. PE lessons will continue to take place on Mondays and Wednesdays, so please ensure children come to school prepared on those days.

Thank you, as always, for your continued support.

## ***Creating Connection***

We're excited to welcome ***Paralympian Lizzi Jordan MBE***, who will be joining us to inspire children and young people with stories of resilience, possibility and the joy of movement.

This ***free***, family-focused event is exclusively for Surrey children and young people with ***Special Educational Needs and Disabilities*** (SEND) and their families.

Explore a range of inclusive activities, including:

- Sports & movement sessions
- Games and Scalextric
- Crafts & creative zones
- Quiet breakout spaces
- Small animals for calm engagement

A space to feel included | A space to play, explore and connect |  
A space to discover what movement can mean for your family

While **booking isn't required**, register for your free tickets in advance to receive an event pack by email before the day, including everything you need to know and details on how to claim your free goody bag. Simply **scan the QR code**.
