Head's Lines

Dear Parents and Carers,

It has been another busy and rewarding week in our school, with much to celebrate across our community.

I am incredibly proud of our Year 6 pupils, who have now completed their SATs. They approached each test with positivity, determination, and resilience, and demonstrated a maturity that is a real credit to them. It was a pleasure to see them enjoying the SATs Breakfast each morning, which provided a calm and supportive start to their day. They truly embodied our school values throughout the week, and we are all very proud of their efforts.

We are looking forward to welcoming Oak Class parents and carers next Friday for their class celebration assembly. It will be a wonderful opportunity to share and celebrate the children's hard work and achievements together.

A special thank you must go to our Year 4 teachers for organising tonight's sleepover. Events like these take a great deal of planning and care, and we are very grateful for their commitment to providing such memorable experiences for the children. We hope it will be a successful, enjoyable, and enriching occasion for everyone involved.

Thank you, as always, for your continued support.

Kind regards,
Mrs Egan

Athletics Club

As advertised on the Summer term club timetable Miss Scrivener will be running an athletics club on Thursday afternoons after the half term break. If your child would like to participate please sign them up via the Arbor parent portal - the booking window for this will open at 8.30am tomorrow morning.

Places are limited to a maximum of 26 children so we would advise you to book early to avoid any disappointment.

Please be reminded that tennis club sessions have now finished (there will be no tennis next Thursday due to Sports Day).

Crawley Play News

Crawley Play now has a Little Tikes play castle and a wishing well planter to add to the creative opportunities for our pupils during lunch time. If you have an unwanted slide or similar Little Tikes style cube or any other low climb items at home, it may be perfect for us to use during Crawley Play, so please do let us know if you have an item that could enhance our play.

We are extremely grateful for all the kind donations received to date: weed membrane, enchanted garden accessories, dance pom poms, percussion toys, spades as well as sandpit toys, offcuts of artificial grass, a car seat and additional mud kitchen pans! It really does bring so much enjoyment to our students and they are certainly learning how generous their community is.
